You may already consider yourself a part of the “friends and family” of the Cathedral Center. Now there’s a place to gather and work on behalf of the Center and the issue of homelessness. As you may have heard, past board members have joined volunteers and staff to develop the Friends of the Cathedral Center.

Join us at this casual event to learn more about the idea and how to become a member of the Friends of the Cathedral Center. Let us know if you plan to join us by Monday, August 21st at: ebrown@cathedral-center.org or 414-831-0394 ext. 2125.
